## 第十五~十六章 大綱

- ◆ 泡沫經濟的時代約在 1980 年至 1990 年初期，此時也是昭和天皇駕崩，由今上天皇接任，正式進入了平成時代。於 1995 年發生了日本史上第一個毒氣事件，此事件為奧姆真理教所發動的東京地鐵沙林事件。在這個時代日本出現了第二位諾貝爾文學獎得主—大江健三郎，近幾年人氣很高的村上春樹也深受世界各地的讀者喜愛，此外漫畫和一些相關活動又更為興盛。

## Chapter 15~16 abstract

- ◆ Japan's Bubble Economy period was from 1980s to the early 1990s. This was the time that Showa Tenno died and Kinjo Tenno succeeded; the Heisei period began. In 1995, the first poison gas attack in the Japanese history happened, known as the Tokyo subway sarin attack started by Aum Shinrikyo. Oe Kenzaburo was the second Japanese writer to receive the Nobel Prize for Literature. In more recent years, Murakami Haruki's works are loved by readers around the world, and comics and related activities are also very popular.
